

HydroCel™ Geodesic Sensor Net

Nets With and Without Sponges

256-Channel Map

(For EGI systems containing Net Amps 200 or Net Amps 300 amplifiers)

8403487-51 (20071129)

Use Map With

Use this map for the 256-channel Nets that are used with EGI's current GES 300 and GES 250 systems, or earlier GES 200 systems. The GES 300 system includes the Net Amps 300 amplifier, while the GES 250 and GES 200 systems include the Net Amps 200 amplifier.

Refer to the *GES Hardware Technical Manual* for detailed descriptions of all systems.

For questions or additional assistance, please refer to the *Geodesic Sensor Net Technical Manual* and the *GES Hardware Technical Manual*, or contact us at:
